Presents

**A NATIONAL LEVEL TECHNICAL
SYMPOSIUM**

TECHZONE 2019

ABOUT US :

The history of JNN College of Engineering is marked by events that have made it synonymous with quality education. Established in 1980 by NES, the College is affiliated to Visvesvaraya Technological University Belagavi and is recognized by the All India Council for Technical Education (AICTE) and Government of Karnataka, being re-accredited by National Board of Accreditation (NBA) and accredited by Institution of Engineers (India). Set in a lush green environment of over fifty acres the college has every infrastructural facility that more than adequately, meets the requirements of around 3800 students and 400 staff members.

IE(I) Students' Chapter conduct a variety of technical activities, such as, seminars, industrial visits, group discussions, technical quiz competitions, workshops, model/poster competition and film shows throughout the year

TECHZONE is the technical fest of JNNCE under the IEI platform, which is a great platform for students to exhibit their technical skills, and we are successfully conducting it through years.
